Get Up

- Each student may bring 1 parent to class the in studio dance rehearsals
- Dancers should come to class in the first costume they are performing in.
- Please try to bring your child's additional costumes in a Rubbermaid/plastic bin so none of their belongings get lost. Please have your child's name in their dance shoes.
- Picture and video taking are only allowed at the in class dress rehearsals. Anyone taking pictures or videos at the recital, including finale, will be dismissed from the school. Please inform your guests that it is very distracting to the performers and other members of the audience.
- No jewelry other than small post earrings are permitted to be worn during our dress rehearsals or recital shows. No colored nail polish is allowed except for a french manicure.
- Hair, make-up (we suggest blush, eye shadow and lipstick), costumes, and shoes are to be presented at the dress rehearsal the way they are required for the recital. Please only use light make-up, we want dancers to look their age.
