2024 DRESS REHEARSALS / RECITAL AGREEMENT

PERFORMING IN OUR ANNUAL RECITAL DAY IS OPTIONAL.

PLEASE NOTE: This is to make sure everyone is aware of our policies in advance.

I am aware that if my child(ren) is in a Shining Star, Rising Star, Shooting Star, or the Thursday 4:30pm ages 5 - 8 Hip-Hop class, it is required to perform in the dress rehearsal at Monmouth Regional High School (on Friday, May 17th) in order to perform in the recital. I understand that I will receive 1 dress rehearsal wristband and it will only be distributed after I purchase my recital tickets.

I am aware that if my child(ren) is in a Petites, Teens, Musical Theater or Hip-Hop class ages 9 & up, they will have mandatory in class dress rehearsals the week of May 6th. Howell Dance Company will not be offering a dress rehearsal on May 17th at Monmouth Regional High School for these classes.

I understand that for the safety of the dancers there is no picture or video taking of any kind permitted at the recital shows on May 18th. I have also been informed that all children, including babies, are required to have a ticket. The dancers will not need a ticket on recital day as they will remain backstage during the shows. Dancers are not permitted to leave during the shows.

I will be receiving one wristband (that must be worn) to drop off and pick up my child(ren) backstage on recital day. I will notify Howell Dance Company through email by April 30th if someone besides the child(ren)'s mom will be responsible for this.

I am aware that my child's hair must be a natural color (not teal, blue, pink, etc.) for dress rehearsals and recital. Dancers can wear light make-up (we do not want too much because we want dancers to look their age). Dancers are not to wear any jewelry (exception: small post earrings). No colored nail polish is allowed except for a French manicure.
